

YOUR AIRPORT JOURNEY IN TURKEY

We just wanted to let you know that your airport experience when you depart Turkey will be a little different to some other destinations. That's because as per UK government requirements, you'll need to go through a third security checkpoint before you board your flight to the UK. So you're totally clued up on what to expect and how to plan your time at the airport, here's a step-by-step guide to your journey...

Then it's the second security checkpoint, which can take up to 15 minutes.

MAIN AIRPORT SECURITY CHECK
AV. TIME: UP TO 15 MINS

4

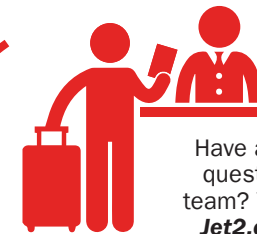

BORDER CONTROL
AV. TIME: UP TO 15 MINS

Remember to have your passport and boarding pass handy as you reach border control.

3

JET2.COM CHECK-IN DESK
AV. TIME: UP TO 10 MINS

2

Have a bag to check in or question for our friendly team? Your next stop is the **Jet2.com** check-in desk.

5 **PIT STOP**

Shops and restaurants are up next. But there's still one more security check to go, so why not save time and stock up on treats once you're onboard instead? Have a look at our [menu](#) and [Jet2Shop magazine](#) now!

GATE SECURITY CHECK
AV. TIME: UP TO 15 MINS

6

Boarding may start earlier because there's a final security check before the gate. And there may be a short wait before you get on the plane.

7 **GATE**

Passports, boarding cards and smiles at the ready – our friendly team will be waiting to welcome you on board!

BOARDING GATE
AV. TIME: UP TO 10 MINS

Top tip: Security checkpoint waiting times may be higher during summer. For more info on how to prepare for security checks, please read our [FAQs](#).

DON'T FORGET TO DOWNLOAD OUR APP!

Information correct as of September 2021. Average times are approximate and you should always allow enough time to get through the airport just in case there are any unplanned delays.
